

dacadoo

Peter Ohnemus

President & CEO, Chairman
dacadoo ag

Peter Ohnemus founded the dacadoo Health Score/dacadoo ag, in Zurich, Switzerland in 2010. The patented dacadoo Health Score & AI-based Lifestyle Navigation Platform is being licensed to key Life & Health Insurance companies (Payers) and global healthcare operators (Providers). Peter has been involved in high-tech and bio-tech investments over the last 25 years and this led to four IPO's and multiple trade sells.

Peter is a frequent speaker and has spoken at World Economic Forum (WEF), Fortune Brainstorm Health, Google Tech Talks, McKinsey's Life Leaders CEO Forum, International Insurance Summit(IIS), Geneva Association (GA), The Royal Society of Medicine, Stanford LIGHT Conference, CommunicAsia, Mobile World Congress, European Health Forum by the EU, Economist Global Healthcare Forum, Mobile Health Summit DC, European Tech Tour, Red Herring, WWW/Digital Disease Detection, etc.

Peter occasionally teaches digital innovation & entrepreneurship at Universities such as ETH, HSG-Switzerland, Bocconi - India.
